Preschool extension!

We have been really impressed with the progress on the preschool extension. We have returned after half term to the doors being fitted, wiring for the electrics complete, plaster on the walls and a level floor! This week the new outdoor canopy has begun to go up.

Fascinating and Curious Museum.
On Wednesday 1st July Natalie from South West Heritage trust will be visiting us with all things wonderful from the Fascinating and Curious Museum.
The 'Fascinating and Curious Museum' encourages young children aged 0-5 years to explore and interact with heritage objects from the stores at the Somerset Heritage Centre. Objects featured in this touring museum are designed to inspire imagination and encourage creative activity such as: storytelling, building, imagining, talking, pretending, handling, interacting, sharing, and unpacking.
I will soon send home consent forms for Photography permission.

Sports day
Thursday 18th June 9.15am
(Thursday June 25th Reserve sports day)
Sports day is open to all Preschool children. If your child doesn't attend a Thursday and you would like them to attend please let Deanne or Sarah know. We will send out an email with more details closer to the date. Due to numbers I am unable to offer day swaps so once Sports day is over your child will need to leave with you.
