18/12/2026	Last Day of Term	
04/01/2027	INSET DAY	
05/01/2027	Return to School	

Headteacher's Message

The children are fully immersed in their learning at this point within the half term. Over the past week Forest School, the creation of an Egyptian tomb and a drama workshop have really captured the children's interest.

KS2 enjoy an exciting Drama workshop

On Wednesday KS2 enjoyed a 'Comedy and Slapstick' drama workshop provided by Holly from Westlands Arts Centre, Yeovil. The children had great fun exploring this genre of drama and working in groups to create freeze

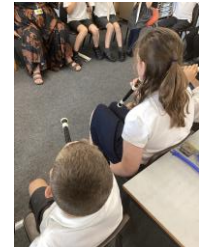

frames and short sketches.

Well done KS2, you were a credit to our school, Jenny was very impressed with your conduct, enthusiasm and drama skills.

Year 3 & 4 enjoy their first Recorder Session

On Monday Years 3 & 4 enjoyed their first whole class recorder session. The children learnt how to hold the instrument, they practised how to create a tuneful sound with the recorder, as well as play their first notes. We look forward to hearing all that they will achieve on the recorder by the end of the term.

KS2 Cross Country Success

A number of our KS2 children represented our school brilliantly at the Area Cross Country at Long Sutton on Tuesday. The team demonstrated excellent team work, perseverance and compassion towards each other. A particular mention to Nia, Chloe, Cameron and Ezekiel who competed for the first time on Tuesday. Congratulations to Harry T, Sam and Jack who finished within the top ten runners in their race and we were very proud of Harry W who comfortably won his race. Miss Sellick felt very proud of the whole team, who collectively represented our school brilliantly at the event.

Class 1 love Forest School

Class 1 had a wonderful time in the woods this week! One child noticed that there were lots of long sticks so he started leaning them up against a tree to make a den, he was soon joined by several others and through some lovely teamwork and collaborative play, the den became even bigger and better. The children collected tarpaulins and camo nets from the classroom to improve the den. Other children wanted to make a garden outside, so they used sticks to sweep away all of the fallen leaves. Eventually the children swept leaves to make paths to join another den that was in the far corner of the woods. Other children enjoyed playing on the tyre swing and took it in turns to swing or push. How lucky are we to have this woodland on our school site!

In R.E on Monday, Year 3 & 4 began researching people's worldviews using a variety of means. The children discovered that people have different world views, this really fascinated a number of our children.

Egyptian Tombs are created in Class 3

Class 3 are really enjoying their Egyptian topic so far this half term. Their class novel 'Secrets of a Sun King' has been a real hit, the children have written letters to an Egyptian archaeologist from the book and produced a tomb curse in hieroglyphics. The class have even created a secret tomb full of artefacts. We cannot wait to see where your Egyptian themed learning will take you next Class 3!

Family Harvest Craft Workshop – Wednesday 7th October @ 3.30 – 4.15pm

On Wednesday 7th October at 3.30pm, we are holding a Family Harvest Craft Workshop in the school hall. The purpose of this workshop is to invite families to come together to create a collection of Harvest artwork to decorate the barn for our Harvest Festival at Park Farm. All supplies will be provided, we just require your enthusiasm and creative spirit! Nearer the time a form will be emailed to capture the number of people that are interested in attending, so that we can be prepared on the day.

Harvest Photography Competition

This afternoon in our Celebration Assembly we launched a Harvest Photography Competition. The children have been invited to enter the competition by bringing in a printed photograph of a harvest scene with their name on the back. All competition entries will need to be submitted by Friday 9th October to be judged. We look forward to seeing your children's photography skills and displaying their creativity at our Harvest Festival.

We need your help!

We have three children that have joined our school this term with a severe allergy to nuts. To enable us to keep these children safe, **please refrain from including nuts in your child's lunch box.**

This week we celebrated these children for 'letting their light shine':

Class 3 – Sam, Nat and Harry W

Class 2 – Ben N

Class 1 – Arabella and Arthur

Class 2 Request – Class 2 are looking for some newspapers for a Paper Mache project they are looking to complete. Please speak to Miss Sellick if you have any newspapers you are willing to donate. Thank you.

Enjoy a lovely weekend with your children in the sunshine!

Katie Hill

TAUNTON SCHOOL
