Headteacher's Message

The creation of Conker Runs, the Area Football Tournament & our Harvest Craft Workshop have inspired the children's learning in the past two weeks here at Curry Mallet.

Curry Mallet Football Team finish 3rd in the Area Football Tournament

Our Football Team were on fine form at the Area Football Tournament last week. The team played brilliantly, demonstrating good skill, use of space and

determination. The footballers were delighted to finish 3rd in the tournament overall, a result to be proud of.

Family Harvest Craft Workshop is a hit!

We were delighted to welcome so many families to our Harvest Craft Workshop on Wednesday. The workshop was a hive of activity with fruit printing, 3D paper pumpkins being constructed, harvest apples and fruits and vegetable collages created. The grain store at Park Farm is going to be beautifully decorated for our Harvest Festival on Wednesday 21st October, we do hope you will be able to join us for the service.

Open Morning – Tuesday 13th October & Wednesday 14th October

Next week we are holding our Open Mornings, when we are inviting prospective parents to come and tour our school site. If you know of a family who are looking for a nurturing rural Primary for their child to begin Reception in September 2027 or a Pre-School place for a child who has turned 2, please forward our Open Morning advert to them. I would be delighted to show them all that Curry Mallet could offer their child.

Sharing the Learning Assembly's

This year we have changed the way we are sharing the children's learning with parents. Each class will be leading a sharing the learning assembly where parents are warmly invited to attend. The first of these assemblies will be held on **Friday 16th October for Class 3 parents**. Assembly will be at 2.45pm in the school hall.

Class 1 create super Conker Runs at Forest School

Class 1 love Forest School! Last week the children had fun seeing who could roll a conker the furthest. The children took the large loose part

resources such as crates, planks and pipes and created giant marble runs for conkers. Initially the children wanted to work individually, however, they soon realised they could make bigger and better conker runs by joining together in teams to share resources. There was so much problem solving and chatter, the finished conker runs were very impressive.

Henri Matisse inspires Class 1 Art

Class 1 we have been learning about Henri Matisse and Painting with Scissors. The children looked at some of Matisse's collage

pictures and discussed how they made them feel. Then they had a go at creating their own collage pictures. Some of the children chose to tear the paper into different shapes, some

used scissors. Some children tried to use the collage to represent an object or a place, whilst others enjoyed making abstract art. Mrs Leighton was very impressed with your artistic creations Class 1!

Class 2 explore using paint

Class 2 are studying 'The Magic Paintbrush' in English. The children have looked at the structure of the story and have invented their own version of the tale. In Art, Class 2 had fun expressing in paint what they imagined the Magic Paintbrush might have painted.

Class 3 explore embalming using tomatoes

This week the class explored Egyptian body preservation using tomatoes! In groups the children cut the tomatoes open, gouged out the innards, cleansed then with antiseptic soap and then preserved them in salt and bicarb. This experiment really captured the children's interest! It will be fascinating to see how well the tomatoes are preserved as the weeks pass.

Parents Evening – Tuesday 13th October & Thursday 15th October

We are looking forward to welcoming you to Parents Evening next week to hear how your child has settled into their new class and the progress that they are making. Do aim to arrive 10 minutes prior to your appointment time to allow you to look at your child's learning before meeting with their class teacher.

This week we celebrated these children for 'letting their light shine':

Class 3 – Sylvie and George

Class 2 – Cameron and Oscar

Class 1 – Camille and Arthur L

Have your say on childcare for primary-aged children in Somerset

Somerset Council would like to hear from parents and carers about their use of before-school, after-school and holiday childcare.

Whether you currently use childcare or not, we would like to hear your views. Your feedback will help Somerset Council understand what is working well, what challenges families face, and where childcare may be needed in the future.

The survey takes just a few minutes to complete.

Complete the survey here: [Parent Carer School-age Childcare in Somerset Survey, Autumn 2026 - Somerset Council - Citizen Space](#)

Thank you for taking the time to share your views.

Enjoy a lovely weekend with your children.

Let's Wash Our Hands!

Remember to wash our hands!

If your child is experiencing issues with daytime/nighttime wetting often the situation can be improved by following the...

- 4 Steps to a Healthy Bladder**
 - Check the bowel**
It is important to rule out constipation as a full bowel will reduce the capacity of the bladder to expand
 - Check for a UTI (Urinary Tract Infection)**
Bugs in the bladder can cause issues around wetting so it is important to check for infection
 - Drink plenty!**
The bladder is a muscle and all muscles need exercising, visit the link below for advice regarding how much your child should be drinking
 - Relax to wee**
Ensure your child is comfortable sitting on the toilet, encourage them to take their time & encourage boys to do sit down wees

Back to school can mean a return of those pesky head lice!

How do I treat head lice?
Head lice infestations and nits may not always be treated, the 'wet combing' method can be very effective at getting rid of head lice.

The **Wet Combing** method:

- Wash your hair with ordinary shampoo
- Apply balls of conditioner to the hair (any conditioner will do)
- Comb the whole head of hair from roots to the ends using a special fine-toothed comb (detection comb). These can be bought online or from a pharmacy
- It usually takes about 10 minutes to comb short hair, and 20-30 minutes for long or curly hair
- Use this method on days 1, 8, 14 and 21, as you catch any newly hatched lice
- Check everyone's hair again on day 21 to make sure they are free of lice

If you need medication, this can be bought from a supermarket or pharmacy. Some medicated treatments may need repeating after a week to kill any newly hatched lice
