

Welcome to the Spring term in Class 1. We hope you had a wonderful Christmas and a happy new year. We are looking forward to an exciting and busy term

### Science

In Science this term we will be learning about living things and their habitats. We will also look at materials and their properties.

### Topic

Our whole school topic is Around the World in 80 days. In Class 1 we will be looking at The British Isles before taking a trip to a hot place (Kenya) and a cold place (the polar regions). We will think about compass directions, different ways of travelling, clothing, animals, habitats, passports and much more...

### Literacy - a journey tale

We are... speakers, listeners, readers, writers and performers. Our story this term is Handa's Surprise. We will study the story through an Immersion, Innovation, Invention approach. Non-fiction - information text.

### RE

Why are some times special? We will consider special times for Christians and discover how they are celebrated.

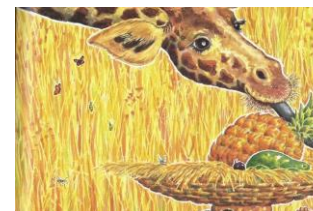

### PE

Dance and Apparatus

Please make sure you have your kit in school every day (including spare socks.)

### Home learning

On her journey to Akeyo's house Handa encountered many animals. We would like you to make a model of one of the animals from the story. You can use any medium, junk modelling, lego, playdough, clay etc.

Reception/Year  
1

Spring 1 2018
