

Year 2, 3 and 4
Spring Term

What is the Magna Carta and is it still important today?

Music

As musicians we will develop a sense of a steady beat using our own bodies as well as developing our understanding of pitch and structure.

Christian Value

Generosity

'If you can't feed a hundred people, then just feed one.'
Mother Teresa

Home Challenge
Create your own
Family Crest

Growth Mind-set

We will continue to develop a growth mind set, changing the way we think into 'I can' rather than 'I can't'

Art

As artists we will develop our understanding of layering colours whilst exploring the work of Pablo Picasso.

History

As historians we will learn about the Magna Carta, the significance it had in history and how it related to the village of Curry Mallet.

Physical Education

Real PE: developing fundamental movement skills of balance and coordination and applying skills within a range of games.

PSHE

Using the Jigsaw resource; the children will discuss 'Relationships' and 'Changing me'

DT

As designers we will develop our knowledge of using specific criteria to create model houses.

RE

What do Muslim people believe about Islam and Iman?

Geography

As geographers we will explore the physical features of the local area including exploring rivers, the impact that they have as well as the water cycle.

Guided Reading

As readers we will enjoy reading a variety of texts in order to extend our vocabulary and improve our understanding of texts

Computing

As coders we will get creative with stop motion animation and learn how to stay safe when 'online'

Literacy

We are... speakers, listeners, readers, writers and performers
We will learn the story 'Door in the Mountain' and will continue to develop our vocabulary and punctuation understanding, followed by writing diary entries. After half term we will learn 'The Canal' exploring sentence structures followed by learning about the text structure of

Mathematics

As mathematicians we will continue to develop our knowledge of;
Year 2: Number, Fractions, Time, Weight and Volume as well as revising written methods of calculation
