

Welcome back for another fantastic term in Class 3!

Year 6 will be busy revising hard for their SATs exams in May. We will be continuing our early session for Year 6 on Wednesday mornings at 8:00am

Year 5 will be starting Philosophy for children and continuing with their guided reading whilst Year 6's have booster sessions.

Science

This term we will learn all about the Earth, Sun & moon. Looking at their relative positions, discovering how the seasons change and investigating

shadows.

The Sun

We are all living under one sun so over our summer term we will be looking at things that unite us across the different world cultures.

English

Did you know that Cinderella exists in many other cultures globally? Well, we'd all like to get rich quick! So we are going to be using this classic tale to inform all different sorts of writing. We are going to build on our experience of editing from last term and we are looking forward to improving our writing.

Spelling homework goes out on Tuesday and needs to be in by Monday

Maths homework goes out on Thursday and needs to be in by Tuesday

Swimming will be on a Tuesday morning.
