

Year 2, 3 and 4
Autumn Term

Music

As musicians we will use our voices expressively singing songs related to the story of Jack and the beanstalk

Computing

As coders we will understand what algorithms are using Scratch and explore ways to present information we have researched.

Geography

As geographers we will learn where in the world different countries and oceans are. Identifying the position and location on the globe.

Science

As scientists we will identify plants and animals with in the ocean, exploring their habitats and food chains.

French

We will continue to practise French greetings and learn about French clothing, culture and customs.

Art

Use a variety of techniques to produce a range of sea creatures including observational drawing

Mathematics

As mathematicians we will write, order, compare, sequence and know the place value of numbers.
Add involving 2,3 and 4 digit numbers using column addition and other methods.

PSHE

Using the Jigsaw resource; the children will discuss 'returning to school and reconnecting with friends.'

Forest School

We will identify different trees, plants and mini-beasts. We will develop our teamwork while using different resources and equipment in a number of challenges.

Literacy

We are... speakers, listeners, readers, writers and performers
We will begin with Oliver Jeffers book 'Here we are' opening discussions to reconnect with school and reconnect with each other. We will learn the 'Jack and the beanstalk' story and will continue to improve our punctuation and grammar in our story writing.

What can we find in our unexplored world?

Home Challenge

Can you educate others on the harmful effect of plastic pollution on our oceans?
(for more info see curriculum home challenge)

Christian Value

THANKFULNESS

'When eating a fruit think of the person who planted the tree'
A Vietnamese proverb

Religious Education

Judaism - What do Jewish people believe about Torah?

Physical Education

Yoga: develop flexibility, strength, technique, control and balance alongside mindfulness
Multiskills: developing throwing, catching and aiming skills to use in games situations

Guided Reading

As readers we will improve our vocabulary and understanding of texts

Spelling

We will learn different spelling rules as well as improving knowledge of common words

Phonics

We will be recapping phase 3 and phase 5 sounds
