

## **Dignity & Respect**

*The disciples showed dignity and respect for Jesus. They believed in him and shared the food. They showed respect for the people asking them to sit down. They were inclusive of all 5,000 plus women and children. A small boy shared his lunch and saved the day.*

*At Curry Mallet we show dignity and respect for all. This is displayed by staff and students by the impact of living out our Christian values, and a behaviour policy grounded in reflection and restorative justice.*

*The disciples that helped so generously all received ample food at the end of the day.*

*God through Jesus meeting people's needs is a sign of God the generous giver; showing that all those that follow him will be invited and satisfied by the great banquet that heaven will provide.*
