

### **Hope, Aspiration and Courageous Advocacy**

*The Miracle shows us that there is more to life than what we can actually see. Jesus hoped for the coming of the Kingdom of God.*

*The disciples were challenged by Jesus to go beyond what they believed was possible. He taught them hope and aspiration – that they could and would have enough food to share with all. The disciples demonstrated trust and generosity, believing and sharing more than they thought possible.*

*The disciples showed **courageous advocacy**- they spoke up for the hungry. They spoke out – and they took action. At Curry Mallet Church of England VC Primary School we teach our children to have **hope, aspirations** and **courage**. At Curry Mallet Church of England VC Primary School we encourage our children to speak out and go beyond to help others. We facilitate discussion about charity works and encourage action to support others.*
