

Pupil Premium Grant Expenditure: 2018-2019

Curry Mallet Church of England VC Primary School

Principles

- We ensure that teaching and learning opportunities meet the needs of all of the pupils
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups this includes ensuring the needs of socially disadvantaged pupils are adequately assessed and addressed.
- We recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding
- To support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	76
Total number of pupils eligible for PPG	14
Amount of PPG received per pupil	£1320
Total amount of PPG received	£18,480

Previous performance of disadvantaged pupils		
	Previous year	Current year
% of pupils making expected progress in English	78%	79%
% of pupils making expected progress in maths	78%	71%
	14% working at greater depth in maths	42% of pp children working at greater depth.

Summary of PPG spending

Objectives in spending PPG:

Focus on children with additional needs and those with emotional and medical difficulties

Basic skills in maths and literacy

Challenge the more able who are also disadvantaged.

Increase well-being through developing the role of the ELSA

New maths scheme to support the development of maths

Focus on spelling and writing

Summary of spending and actions taken:

Increased hours for the SENCo who oversees the role of the ELSA and intervention programmes-----£7210

Money to support a SENTA to do 1-1 work-----£629

ELSA hours and training in a range of areas so we can offer more support in school-----£2338

Money to support children so all can be fully involved in school trips and swimming sessions-----£1500

Power maths teaching materials and resources-----£2967

Subscription for R4L so that we can access a range of materials particularly books for those with high interest low ability-----£1318

Motivation for disadvantaged to use the reading rainbow-----£50

Outcomes to date:

Children who need support for a range of emotional difficulties have access to a trained ELSA. Children are more articulate in how they feel, why they feel that way and what support they can have access to.

Access for all children to take part in all trips to support their curriculum which builds resilience, self-esteem, team building independence, determination and many more of our whole school values.

Disadvantaged children perform in line with or above the national average.

Fully trained SENCo is able to access children in a wide range of areas rather than wait for outside support from the LA.

Record of PPG spending by item/project			
Item/project	Cost	Objective	Outcome
Increase in SENCo hours by half a day per week.	£7210	An increase in the complexity of children's needs means that the school has had to increase the hours the SENCo works.	
Purchase of Power Maths	£2967	Recourses and materials now available up to year 6 which school has purchased so that there is progression in skills from year 1-year 6.	
Subscription to R4L	£1312	Children continue to have access to topic books and those with low ability and high interest have access to appropriate reading books	
Support for school trips and swimming.	£1500	All children have access to the all school trips and all disadvantaged children are able to develop swimming skills.	
Provide trained SENTA's to work with children who need 1-1 or small group interventions	£629	To provide appropriate trained support staff to work with the children to raise standards in the basics and to support those more able to obtain greater depth.	
To provide ELSA support for all children	£2338	A trained ELSA is available to take children on a 1-1 or in small groups to work on areas identified by the class teacher and endorsed by parents	
To purchase GL assessment materials and WRIT assessment for use by the SENCo.	£545	Children causing concern need to be assessed using diagnostic materials so that the school can plan a way of supporting all children.	
To purchase 2 iPad's, 2 keyboards and Clicker 7 to support children with medical needs	To be confirmed	Purchased to support children with medical conditions who find writing very challenging.	

Total PPG received	£18,480
Total PPG expenditure	£14,663
PPG remaining	£3817
