

Wisdom, Knowledge & Skills

Jesus was teaching the 5,000 sharing his knowledge and spiritual wisdom. The 5,000 had walked all day to hear Jesus. They showed commitment and had a thirst for knowledge and understanding. At Curry Mallet Church of England VC Primary School we use the messages from this miracle to teach our children how to live well and to learn how God wants us to live; to love one another and treat others as we would wish to be treated. We hear the overarching message from this miracle: teaching about the Kingdom of God, being part of God's Kingdom and part of life on earth.

We instil a love of learning through curiosity, perseverance and resilience. Just as Jesus used stories to teach and learn from; so do we.

Curry Mallet has a commitment to excellence, high standards and higher expectations. Through the school Christian values of perseverance and courage, we instil in children the attitude and passion to succeed. Our children know that mistakes are made and learnt from, successes can be improved upon and life is more than the thought of getting something right or wrong. Our children are resilient and passionate to achieve all their potential; to finish the race set before them at a full pace.
